Treadwell Perennials

...Go beyond the boring and stretch your imagination. Put the finishing touch on your garden project. *Treadwell Perennials* tolerate foot traffic and are excellent groundcovers near pathways or for use between stepping stones, on pathways and throughout your garden.

Treadwell Perennial foliage can be used to compliment or contrast materials used in stepping-stones or edging. The foliage of many plants will turn colors in the fall and winter which adds another design feature to your gardening pleasure.

TREADWELL ...light
 traffic perennials can
 be TREAD upon a few
 times a week

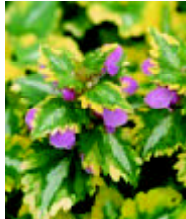

TREADWELL ...heavy
 traffic perennials can be
 TREAD upon heavily or
 almost as much as a lawn.

TREADWELL ...medium
 traffic perennials can be
 TREAD upon a couple
 times a day.
